Why Ningbo?

1 | 3
2 |

1. A Thriving Port City near East China Sea
2. A Historic City of Abundant Tourism Resources
3. A Dynamic City with Unique Local Flavor

Why Ningbo University?

Ningbo University is a dynamic, fast-growing and comprehensive university with a wide range of disciplines. It is one of the top 100 universities in mainland China.

Ningbo University consists of 21 faculties and colleges with 12 PhD programs, 145 Master programs and 75 Bachelor programs with 30,000 full-time students.

Ningbo University attaches great importance to international exchange and cooperation. So far, it maintains links with more than 140 universities from over 40 countries.

Ningbo University offers a variety of programs taught in English and supplies a complete set of facilities and services to international students. Currently, over 2,000 international students from 92 countries are registered in Ningbo University.

Programs Taught in English Undergraduate Programs

Name	Main Courses	Duration	Tuition Fee
International Business and Trade	Micro-economy, Macro-economy, Econometrics, International Trade, International Trade Practice, Money and Banking, Public Finance, Principles of Accounting, Principles of Statistics, Economics of Development	4 years	18,000 Yuan/year
Business Administration	Principles of Accounting, Cost Accounting, Macroeconomics, Microeconomics, Business Finance, Business Law, Principles of Marketing, Principles of Management, International Business, Human Resource Management, Organizational Behavior, Operations Management, Business Ethics, Strategic Management	4 years	18,000 Yuan/year
MBBS	Human Anatomy, Pathology, Histology & Embryology, Cell Biology, Topography, Molecule Biology, Surgery Medical Genetics, Physiology Microbiology, Physiology, Microbiology, Immunology, Medical Image-ology, Anesthesiology	6 years	28,000 Yuan/year
Mechanical Engineering	Engineering Economics, Computer Usage, Engineering Graphics, Test and Control Technology, Strength of Materials, Machine Design, Production Planning and Control, Electrical and Electronics, Production and Manufacturing System	4 years	20,000 Yuan/year
Arts Design(Graphic, Interior, Fashion Design)	Sketch for Designers, Color for Designer, Landscape Painting, 3D Modeling, Oil Painting, Animation Techniques of Fashion Art Drawing, Design of Clothing Structure, Computer Designing, Fashion Art and Craft Fashion Design	4 years	20,000 Yuan/year
Engineering in Architecture	Architectural Drawing & Painting Tectonic, CAAD, Landscape Architecture, Interior Design, Building Surveying, Urban Design Theory, Interior Design, Green Building, Architecture Model, Architectural Design Studio	5 years	22,000 Yuan/year
Logistics Management	Management, Micro-Economics, Management of Information System, Operation Research of Logistics Transportation, Electronic Commerce, Logistics Management of Enterprises Statistics, Accounting, Planning and Design of Logistics System, Marine Management	4 years	18,000 Yuan/year
Computer Science	Computer Organization and Architecture, Computer Networks, Software Engineering, Operating Systems, Introduction to Database Systems, Introduction to Embedded Systems	4 years	20,000 Yuan/year
CPA CANADA	PREP (Prerequisite Education Program) of CPA CANADA program comprises 14 courses and is entailed within local accounting curriculum organized and tested by NBU. The program includes 9 core courses in which original English CPA CANADA materials are adopted.	4 Years	18,000 Yuan/Year

Programs Taught in English Master Programs

Polymer Science

Main Courses: Advanced Organic Chemistry
Polymer Analysis & Characterization
Polymer Reaction Engineering
Polymerization Catalysts
Romp and Applications
Modern NMR Techniques
Polymer Microscopy
Functional Polymers

Duration: 3 years

Tuition Fee: 20,000 Yuan/year

Aquaculture

Main Courses: Molecular Biology Theory
Advanced Biostatistics and Application of SPSS
Progress on Fishery Breeding, Fish Nutrition,
Techniques of Light and Electron Microscopy in Biology,
Working Methodology and Technology in Biology Laboratory,
Environmental Biotechnology

Duration: 3 years

Tuition Fee: 20,000 Yuan/year

MBA

Main Courses: Management
Human Resource Management
Operation Production Management
Financial Management
Strategic Management
International Business
Managerial Economics
Organizational Behavior
International Finance
Entrepreneurial Management

Duration: 2.5 years

Tuition Fee: 65,000 in total

Information and Telecommunication Engineering

Main Courses: Natural Dialectics
Practice of Ideological and Political Education
Applied Stochastic Processes
Modern Signal Processing
Digital Communication
Theory of Information and Coding
DSP Applied System Design

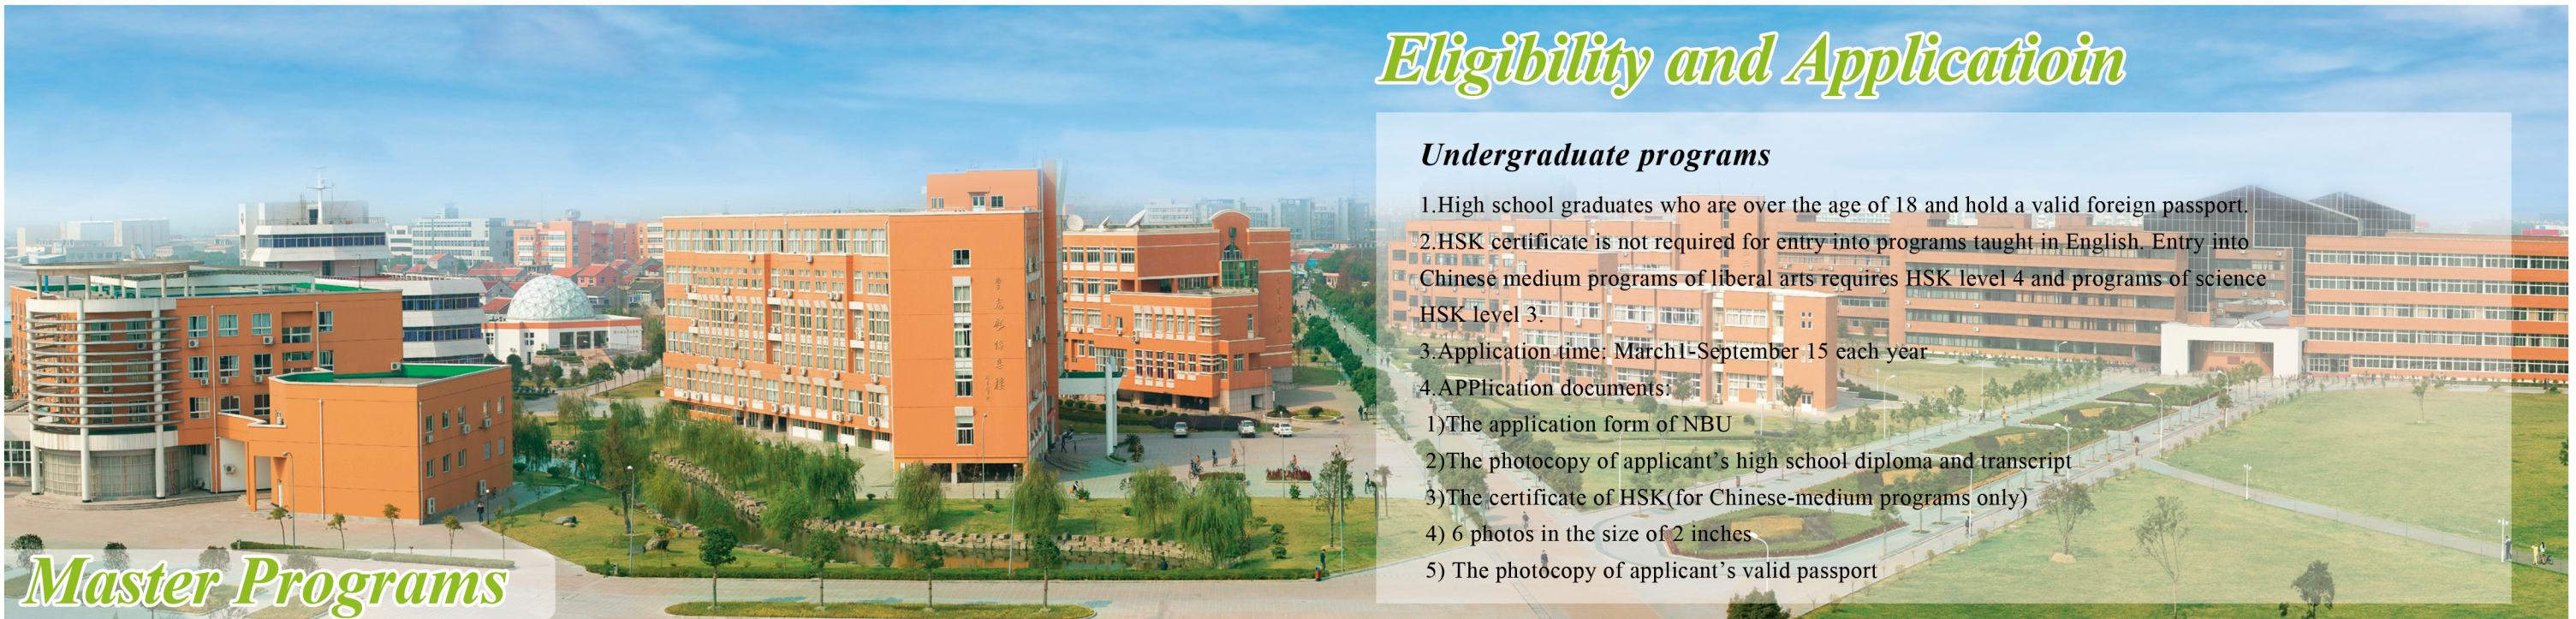

Duration: 3 years

Tuition Fee: 22,000 Yuan/year

Program List Undergraduate Program

Eligibility and Application

Undergraduate programs

1. High school graduates who are over the age of 18 and hold a valid foreign passport.
2. HSK certificate is not required for entry into programs taught in English. Entry into Chinese medium programs of liberal arts requires HSK level 4 and programs of science HSK level 3.
3. Application time: March 1-September 15 each year
4. Application documents:
 - 1) The application form of NBU
 - 2) The photocopy of applicant's high school diploma and transcript
 - 3) The certificate of HSK (for Chinese-medium programs only)
 - 4) 6 photos in the size of 2 inches
 - 5) The photocopy of applicant's valid passport

Master Programs

Industrial Economics	Pedagogy	International Trade
Regional Economics	Epidemic and Medical Statistics	Electric circuits and System
Condensed Matter Physics	Corporate Management	Fishing Science
Aquaculture	Specified History	Physical Chemistry
Mechanical Electronic Engineering	Ancient Chinese Literature	Telecommunication and Information System
Science of Fisheries Resources	Engineering Mechanics	Turbine Engineering
Structural Physics	Applied Computer Science and Technology	Educational Economy and Management
Food Science	Finance	Internal Medical Science
Applied Psychology	Solid Mechanics	Business Administration
Biochemistry and Molecular Biology	Ideological and Political Education	
Contemporary Chinese Literature	Surgery	
Contemporary Chinese History	Japanese Language and Literature	
Aquatic Product Processing and Storage	Civil Commercial Law	
Signals and Information Engineering	Foreign Linguistics and Applied Linguistics	
Human and Sociological of Sports	Linguistics	
Curriculum and Educational Theory	Chinese Literature	
Economic Law	Human Geography	
Inorganic Chemistry	Quantitative Economics	
Applied Chemistry	Physical Education and Training	
Universal Mathematics	Optical	
Marine Biology		

Master Programs

Requirements:

1. Bachelor degree holders
2. HSK certificate is not required for entry into programs taught in English. Entry into Chinese medium programs of liberal arts requires HSK level 4 and programs of science HSK level 3.
3. Application Documents:
 - 1) The application form of NBU
 - 2) Photocopy of Bachelor degree certificate and transcripts
 - 3) The certificate of HSK (for Chinese-medium programs only)
 - 4) 6 photos in the size Certification of HSK
 - 5) Two letters of recommendation from two professors
 - 6) 6 photos in the size of 2 inches
 - 7) Photo copy of applicant's valid passport

Fees Structure

- Registration Fee:** 500Yuan
Insurance: 800Yuan/year
Medical Examination: 535 Yuan payable to Ningbo International Health Care Center
Residence Permit Extension: 800Yuan one year and payable to Ningbo Immigration

Living Cost (Food):

Approximately 1,000Yuan pre month
